

Alpine Ski Teams

TSEF's Team Tamarack Alpine offers a variety of programs ranging from a weekend development program for the newest and youngest racers to a full-time competition program for the older and more experienced racers. The main focus of all our teams is fun. We believe that enjoyment greatly enhances learning and leads to lifelong passion. This philosophy is emphasized in all levels Team Tamarack's programs.

Alpine Intro

10 - 12 weeks of awesomeness
Adherence to all TSEF Handbook Guidelines required
Christmas Camp available
USSA Membership required

Alpine J6/7Devo

The J6/7 Development Team is committed to the beginning ski racer. Members are encouraged to race in local events and in some Youth Ski League events at surrounding areas. This is a learn-to-race program, *not* a learn-to-ski program. Members are expected to be able to ski all levels of terrain At Tamarack Resort in a timely and efficient manner and be comfortable riding lifts without adult assistance. Program emphasis will be directed at acquiring alpine ski fundamentals while having fun through free-skiing, balance-oriented drills and terrain exercises. Gate training is conducted regularly.
